

September 12th Sharkbite!

Dear Families,

Sharkbites are your weekly short snappy updates with just a nibble of news!

This Week's Splash!

We celebrated standing up for kindness and inclusion this week by wearing and thinking pink on Thursday! We also practiced our first fire drill with the loud fire bell and all students did a great job at being safe, feeling safe, and following directions.

Please check your emails for the HRCE Demographics update form!

Our Hammerheads are working on showing skills for maintaining a **Safe and Positive Learning Environment** this month! Ask them about demonstrating consideration by holding the door for classmates, teachers, staff, and others.
