

Harrietsfield Elementary Home and School

Harrietsfield School Community and Families,

We're excited to re-introduce the Home & School Committee for the 2025–2026 school year!

Our committee is dedicated to creating fun, inclusive, and accessible events that bring our school community together while supporting important fundraising goals—like replacing classroom furniture to enhance learning spaces for our students.

This year, we're thrilled to host a lineup of engaging events including:

- 🎃 Trunk or Treat – October 23
- 🎄 Holiday Celebration – December 6
- 🎡 Community Bingo Night – April 16
- ☀️ Spring Fair – May 30

Each event is designed to be simple, joyful, and community-driven—and we need your help to make them a success! Whether you can decorate a trunk, make a donation, lead a craft table, help with setup, or simply lend a hand for an hour, your support makes a big difference.

We warmly welcome new members and volunteers to join us! Volunteering is a great way to connect with other families, support your child's school experience, and have fun along the way. If you have a High School student who may be interested they can also earn resume-building references.

To get in touch, email us at homeandschoolhes@gmail.com or attend our ***next meeting on October 15 at 6pm in the school library!***

Stay tuned for sign-up forms and event details in newsletters, on social media, and posted around the school. Let's make this year one to remember—together!

Warm regards,

The Home & School Committee
