

October 10th Sharkbite!

Dear Families,

Sharkbites are your weekly short snappy updates with just a nibble of news!

Our Hammerheads are working on showing skills for **Respecting our School Learning Environment** this month! Ask them about listening carefully when someone is speaking, showing interest and avoiding interruptions.

This Week's Splash!

Thank you to Mr. Mike and team for completing the installation of our new heating system at HES! We wrote things we are thankful for on our school family chalkboard and learned that mi'walat! (me-la-waddle) means thankful in Mi'kmaq! We practiced Fire Drill #2 with success and our littlest sharks felt safe and confident in their practice!

The weather is changing and it's time to pack hats, mittens, and gloves for playtime outside!
