

# November 14th Sharkbite!

Dear Families,

Sharkbites are your weekly short snappy updates with just a nibble of news!

Our Hammerheads are working on showing skills for **Respecting Others** this month! Ask them about walking quietly forward and going directly from one place to the next!

## **This Week's Splash!**

Our Home and School in partnership with YOU has done it again! We raised \$2226.00 for our school! Also, 3/4 Desroches received 26 new desks and chairs today from the Home and School! Thank you!

\*Now that students and families have settled into a school routine, we wanted to remind families that our first bell is at 7:55am. It's important for students to be arriving on time so that they can participate in their class meetings and instruction to start the day. Please reach out to us should you need any support. The NS Student Attendance Policy is also available for your reference here.
