Coping with Tragedy - for Parents and Caregivers

As you know, the students, staff and families at CPA experienced a very difficult week. Events like this can have a widespread impact.

The IWK and the Nova Scotia Health Authority created resources for schools following the tragedy in Portapique. The strategies and accompanying resources are applicable to other significant events that impact our students, staff and communities. Attached, you will find a resource to support children when they are coping with a tragedy.
